

Leith Theatre Trust

Membership Application Form

Leith Theatre Trust has been formed to facilitate the refurbishment of Leith Theatre, its reopening and ongoing management. Our aim is to return the building to a use which will add value to the Leith Community.

We are particularly interested in membership from residents of Leith and people with a business, social enterprise or Arts background. By growing our membership we will know that we have the support of the local community. Collectively we can then pool skills and ideas to build a strong case for using the Theatre to the benefit of the local area.

Your level of involvement with the Trust is up to you! We need members to assist with a variety of one-off tasks – such as fundraising and fact finding – while we are also looking for a limited number of people to become Directors. However, members do not necessarily have to take an active role in the Trust. At the lowest level of commitment, you will be invited to attend the AGM and be sent periodic updates.

The Trust is an open membership company, limited by guarantee. We have applied for charitable status.

Membership gives you the right:

- to receive annually a report on the Trust's progress
- to attend the Annual General Meeting
- to elect Directors to the Board

I wish to become a member of Leith Theatre Trust
